Night Owls

Night Owls

Pairing: Bokuaka Bokuto x Akaashi

Rated: K (Fluff)

Akaashi's eyes narrowed at the instructions in front of him. The day had been too long and Bokuto's mood swings had finally taken it's toll on him. He really didn't want to do this project. In fact, he really just wanted to go to sleep and forget about the whole thing but he couldn't do that unless he wanted to fail and that was certainly not an option.

Bokuto smiled and watched as Akaashi's eyes closed and his hands moved to rub at his temples when he suddenly had an idea. He quickly ran out of the room and came back with a mug of hot chocolate and placed it down on the desk.

Akaashi looked up as the mug was set down.

"Thank you."

He took the mug without a second thought and began his project. After his boyfriend thanked him for the hot chocolate, Bokuto began getting even more ideas of how to be 'helpful' and started out by going to their small kitchen.

Akaashi vaguely heard Bokuto leave as he concentrated on drawing diagrams on a large board.

When Bokuto returned he had a huge grin on his face and food.

"Akaashi I brought you food!"

Akaashi nodded and continued drawing while muttering to himself about the next thing he needed to do before reaching for the food.

Bokuto then proceeded to grab Akaashi a ruler and some markers for him to make the project more colorful.

When Akaashi finally finished the project, he realized that he had not gotten up to get any of the things for the project himself and turned to look at Bokuto who appeared to have fallen asleep while watching him do his work. He smiled a bit at the wing spiker and ran a hand through his hair gently and leaned down to kiss his boyfriend on the cheek.

"Thank you, Koutaro."

Akaashi slides into bed next to Bokuto and snuggled against him falling into a peaceful sleep.

Bokuto opened his eyes and pressed a kiss to Akaashi's forehead.

"Goodnight, sweet dreams."

The End

Kimiko: Pffttt... Do you like the title? It's cuz Akaashi is basically pulling an all nighter to finish this project and Bokuto is staying up with him. They're Night Owls get it? Badum cha!

End file.
